Aventura Members certifying to charter will usually take the Basic Course upon joining unless they have previous experience. If they have previous sailing experience on vessels in the 30ft range, with inboard engines and wheel steering, they may choose to take the Advanced Sailing Course. Any course may be taken as a refresher course at a reduced rate.

Basic Sailing Course

Our Basic Sailing course consists of 21 hours of instruction designed for the student with limited or no experience in sailing, minimum 12 years old (must be accompanied by an adult) and will qualify members for chartering boats 27-32 foot in length. Included are 9 hours of classroom lecture emphasizing nautical terminology, aerodynamics of sail, boating safety, rules of the road, radio procedure, anchoring and heavy weather survival. In addition, students exercise practical sailing skills in 12 hours of lab sessions aboard 30 foot boats, with emphasis on sailing maneuvers, docking procedures and "man-overboard" recovery techniques. An additional 2 hour lab emphasizing Aventura charter policies, boat systems, and safety is given to current and prospective members. After this, you'll charter sailboats as big as 32 ft (refer to "Certification Information for Chartering" section).

Basic Lectures

1. Terminology
2. Safety – PFD's, Fire, Man Over Board, Sailing Checklists, Knot Tying
3. Rules of the Road, Aids to Navigation, Systems
4. Heavy Weather, Anchoring, Examination
